-Talmud
The mission of the Jewish Federation of Omaha Foundation is to help assure the stability and continuity of Jewish life and to support communal services in the Omaha area by establishing and accumulating enduring assets for permanent funding resources.
Thank you for your generosity, support, and dedication to the future of Omaha's Jewish community. It is our honor to present this 2018 Annual Report to you, and to reflect upon the Foundation’s progress and accomplishments during the past year.

For the fiscal year ended June 30, 2018, the assets under management at the Jewish Federation of Omaha Foundation reached a record $95 million. Twenty people established new endowment funds and 23 Foundation supporters stepped forward to start new donor-advised funds. The LIFE & LEGACY initiative continues its strong path to success, with 325 generous Omahans promising 633 gifts now or after their lifetimes to secure the financial future of Jewish Omaha. The estimated value of those LIFE & LEGACY gifts as of June 30, 2018 was $17.7 million.

Sadly, some of the Foundation’s long-time donors and supporters passed away this year. Yet even after their lifetimes, they continued to generously support the Omaha Jewish community they loved. Through wills, trusts, life insurance, retirement plans and charitable remainder trusts, these donors gifted over $6 million to help solidify the financial future of Omaha’s Jewish community.

The Foundation mission, the core of our existence, is to assure the stability and continuity of Jewish life and to support communal services in the Omaha area. Thanks to our generous donors, we did just that in 2018. Through endowments, donor-advised funds and supporting foundations, the Foundation disbursed over $7 million during the past year including:

- $3.6 million for the funding needs of the Jewish Federation of Omaha and its agencies, including $678,000 to help Omaha’s Jewish needy and elderly through Jewish Family Service, Jewish Senior Outreach and the Rose Blumkin Jewish Home.
- $277,000 in scholarships to help families and students with their college educations, to attend Jewish summer camps, and to enroll in the Pennie Z. Davis Child Development Center and the Friedel Jewish Academy.
- $576,000 to Omaha area synagogues and other Jewish organizations.
- $309,000 in funding for capital and building and security improvements and upgrades at the Federation campus, including the JCC.
- $719,000 to support national Jewish and secular organizations in their charitable endeavors.

The Foundation could not accomplish all it does without the dedication of our Foundation staff. Many of you have had the pleasure of interacting with Operations Manager Janet Henthorn, Fund Administrator/Marketing Coordinator Laurie Peatrowsky, LIFE & LEGACY Coordinator Margo Parsow, and Endowment Assistant/Staff Writer Linda Pollard. Individually and collectively, they make things happen and we thank them for being so capable, competent, caring, and helpful.

Thanks also to the Foundation Board of Directors. This group of 18 community leaders has the best interests of Omaha’s Jewish community at heart. Together, they oversee the growth, direction and development of the Foundation, providing the wisdom and guidance that is so important to the success of the Foundation.

With sincere thanks,

Ted Friedland
President

No Place for Hate® is an initiative providing schools and communities with a climate improvement framework for combating bias, bullying and hatred – leading to long-term solutions for creating and maintaining a positive learning environment.

No Place for Hate® is helping students, educators, and family members across the country improve school climate so that all students can thrive socially and academically as engaged global citizens.
Caryl and Barton (Bucky) Greenberg shared a strong commitment to Omaha, and to the youth in the community. During their lifetimes they both served the youth of the community, and the Omaha area through their volunteer activities. With a desire to continue helping to serve the young, Caryl and Bucky left a bequest in their will for the Anti-Defamation League through the Jewish Federation of Omaha Foundation. Mary-Beth Muskin, Regional Director of the ADL, stated, “Bucky was an amazing gentleman who was remarkably committed to the ADL-CRC, the community and making the world a better place. The scholarship is a way to honor his and Caryl’s memory and continue their work.”

The Barton (Bucky) and Caryl Greenberg ADL-CRC Memorial No Place for Hate Scholarship Fund will provide college scholarships to graduating high school seniors who have actively engaged in the ADL’s No Place for Hate program at their schools, or other ADL sponsored anti-bias or bullying prevention program for high school students. The scholarships are open to all high school seniors who attend a No Place for Hate school, have made a commitment to making their school environment better, and will continue their education, using their No Place for Hate skills in their community into the future.

Reflecting on his parents lives, Joe Greenberg stated, “Overall, I would say they lived charmed lives. They were happily married for over 60 years, they were healthy until the end, and they were able to do the things in life that they wanted to do. They were role models for how to live a good, full life.” Daughter Beth Greenberg added, “Love of family, friends, community and Judaism permeated both Bucky’s and Caryl’s lives, and they shared the most profound love for each other. Perhaps both of their mottos would be, ‘Live life with purpose and enjoy life while you can.’ They often said that money was only good for the good you could do with it.” The ADL and the Jewish Federation of Omaha Foundation are grateful for Caryl and Bucky’s charitable planning for the future of the ADL.
The objectives of the annual Holocaust Commemorations are two-fold:

- To remember the 6 million Jews and millions of others who were murdered in Nazi Europe, and all that was lost with them
- To honor the living - those who miraculously survived the Holocaust, their children and grandchildren

The most fitting way to mark Yom HaShoah (Holocaust Commemoration Day) is as a community. This expresses our shared loss - a loss to all of humanity.

LION OF JUDAH ENDOWMENT

A Lion of Judah Endowment (LOJE) Fund is created by establishing a fund of at least $100,000 in the donor’s name, ensuring the perpetuation of a donor’s Lion of Judah giving level annual campaign gift. It can help you manage your philanthropy in a way that complements your overall tax planning. For example, if you have unusually high income or substantial long-term capital gains in a particular year, you can contribute to your LOJE Fund, and receive your charitable tax deduction that year. Your estate could receive considerable tax benefits if you choose to establish your LOJE Fund with an after-lifetime gift. A LOJE Fund is a powerful statement of a donor’s commitment to tzedakah, providing a legacy for herself, her family and her community.

PERPETUAL ANNUAL CAMPAIGN ENDOWMENT

A Perpetual Annual Campaign Endowment (PACE) is a permanent fund dedicated to endowing a Jewish Federation of Omaha Annual Campaign gift. A PACE fund is not intended to take the place of any current annual gift – it is instead a lasting legacy that will continue to make an annual gift to the campaign in perpetuity on your behalf. You may create your PACE fund through a variety of vehicles, some of which provide your estate with considerable tax benefits without the requirement that you contribute during your lifetime. These options allow you to perpetuate your commitment to the Federation Annual Campaign in a way that best achieves your own personal financial and estate planning goals.

Sometimes it takes a little extra help to maintain independence. Help with meals or handyman services, personal care, transportation, or even medical or legal issues. Jewish Senior Outreach (JSO) provides that help. We empower seniors in Omaha to stay vital and active in their homes for as long as possible by providing options when independent living becomes more challenging.

JSO helps improve quality of life through proper nutrition, implementing safety precautions, home care referrals and financial assistance, if needed. Individuals and their families count on our outreach social workers as trusted partners.
Generous Malashock Gift
Fulfills Ever-Growing Need in the Senior Community

A recent conversation with Dr. Edward and Sally Malashock was an engaging trip through their past, a look at the present, and a view of the future. The Malashocks are warm, humorous and welcoming, and it is clear why their marriage has lasted 73 years. Their kindness also shines through, as evidenced by their very generous contribution to the Jewish Federation of Omaha Foundation to establish the Ed and Sally Malashock Jewish Senior Outreach Fund. This fund will support the new handyman and transportation services of Jewish Senior Outreach.

Sally and Ed said that they are more aware now of the ever growing need in the senior community for support, especially now that they are living with older people. They have become more aware of various degrees of physical and mental impairment. They also realize that not everyone in this category is capable of supporting themselves. It was apparent to them that there is a pressing and unmet need for further funding for the senior Jewish community. The Malashocks said they feel fortunate to be able to support the community, so they looked for the right opportunity to help.

Shelly Fox, Director of Admissions and Community Outreach at the Rose Blumkin Jewish Home, said, “The newly established Ed and Sally Malashock Jewish Senior Outreach Fund will help a growing segment of our community - the Jewish seniors who are living on their own and could benefit from help with transportation and basic handyman services. Our goal with Jewish Senior Outreach (JSO) is to serve the needs of our elders. We focus on helping our community members continue living on their own in a safe environment. We know how important it is to most folks to maintain their independence...and we want to partner with them in making that happen.”

Ed said that his medical practice was the focus in his life, and yet he felt an obligation to participate in the Jewish and the general community. Both Sally and Ed have a very rich history of volunteering. Ed was active with hospital related activities and the medical school from which he graduated, where he was a volunteer faculty member. He was the president of the Clarkson Medical staff, and the president of the Douglas County Medical Society. Ed served on the Jewish Family Service, the Jewish Federation of Omaha and Temple Israel boards. Sally served on the Temple Israel board, was the president of the faculty wives, was on the Clarkson Hospital Service League, was the chairwoman of the Ak-Sar-Ben ball committee, was president of the Council of Jewish Women for many years, and still found the time to volunteer at their children’s schools.

On behalf of the Jewish community, the Foundation expresses its heartfelt thanks to Ed and Sally for their commitment and contributions.
Continuing the legacy left by their parents, Shirley and Buddy Goldstein, Donald Goldstein, Kathy Goldstein and Gail Raznick established five new endowment funds from their parents' estate. The new endowments are: the Goldstein Family Endowment for the Jewish Press, the Goldstein Family Endowment Fund for the Nebraska Jewish Historical Society, the Goldstein Family Endowment Fund for Friedel Jewish Academy, the Goldstein Family Endowment Fund for B’nai Israel Synagogue, and the Goldstein Family Endowment Fund for Chabad Lubavitch of Nebraska. These new endowments are for operational funding for the Press, NJHS, Friedel, and Chabad. The fund for B’nai Israel is to support the Council Bluffs synagogue.

Kathy, Gail and Donald have been able to ensure financial support to five Jewish organizations for an unlimited number of years into the future. The lessons they learned growing up and the examples set by their parents have generously benefited Omaha’s Jewish community, in the past, now in the present, and for countless years ahead.
It has been an exciting year 4 for the LIFE & LEGACY™ program in our community. This year the Omaha Jewish community received a beautiful piece of original artwork from the Grinspoon foundation for successfully completing four years of the LIFE & LEGACY program and for integrating legacy giving into our community. This honor is shared with all of our 9 local partners, the Jewish Federation of Omaha and its agencies, ADL/CRC, Institute for Holocaust Education, Nebraska Jewish Historical Society, Chabad House, Friedel Jewish Academy, Temple Israel, Beth El Synagogue and Beth Israel Synagogue. This year once again all of our Partner organizations have reached or exceeded their individual goals and the community has received 633 signed commitment letters to which there were 325 individual legacy commitments with a cumulative estimated value of $17.7 million dollars.

Of course, none of this would have been possible without the vision, leadership and support of our JFOF board and our generous donors. It is with gratitude and appreciation that we thank them for their commitment to the Harold Grinspoon Foundation LIFE & LEGACY initiative in Omaha’s Jewish community.

This year we hosted our fourth LIFE & LEGACY community wide celebration event which was attended by over 100 guests who were enlightened by Rabbi Daniel Cohen, our keynote speaker, who shared his insights on “How to Live your Best Life Now.”

It is a privilege to be a part of this partnership with the Harold Grinspoon Foundation LIFE & LEGACY initiative as we continue to cultivate a culture of legacy giving, foster camaraderie among Jewish organizations and secure the financial future of our amazing Omaha Jewish community.

Very sincerely yours,

Margo Parsow
LIFE & LEGACY Coordinator
Thank you to the members of Omaha’s Jewish community who have made a LIFE & LEGACY™ commitment.

Margo Parsow Named the 2018 Gail Littman Leadership Award Recipient

During the 2018 LIFE & LEGACY™ Create a Jewish Legacy Leadership Gathering in Springfield, Massachusetts, Omaha’s own Margo Parsow was awarded the Gail Littman Leadership Award. The award was created to honor a LIFE & LEGACY coordinator who shares Gail Littman’s passion for legacy giving, has worked to spread the legacy message, coaches and mentors partner organizations, facilitates legacy commitments and integrates legacy giving into the community culture.

Howard Epstein stated, “As the coordinator of Omaha’s LIFE & LEGACY program, Margo has done a stellar job. She has coordinated the efforts of nine separate Omaha Jewish organizations helping to secure more than 630 legacy commitments with an estimated value of $18 million, numbers which far exceeded our goals.”

This is the year to establish your Legacy. Contact the Jewish Federation of Omaha Foundation today!

The Omaha Jewish Alumni Association (OJAA) was created to help you reconnect with Jewish former Omahans. This project is the amazing vision of Lisa and Gary Epstein whose generosity, inspiration and support have made the Omaha Jewish Alumni Association a reality. This is a great resource for interesting updates on the place you still call “Homaha!”
The mission of the Omaha Jewish Alumni Association is to establish and secure the future of Omaha’s Jewish community by connecting Jewish individuals who are currently living in Omaha with all Jewish individuals who formerly lived in Omaha and now live elsewhere. The OJAA has 677 members and has hosted for its members two wonderful events this year; A Berkshire Hathaway luncheon for those visiting for the annual shareholders meeting and a Rosh Hashanah Tailgate/Cocktails and Conversations.

None of this would have been possible without the passion, vision and generosity of Gary and Lisa Epstein who have long been inspired by the strength of our Omaha Jewish community and dreamed about creating a place for current and former Omahans to reconnect. The Epsteins have shared that “so many people have such fun and wonderful memories of growing up in our fabulous Jewish community. It gave us the idea to create a Jewish alumni association where anyone who has grown up or attended school in Omaha, and has nostalgic feelings about our community, can connect through social media.” www.facebook.com/OmahaJewishALumni

While the Epsteins anticipate that the bulk of membership will continue to come from people who went to high school in Omaha, they want to be clear that the OJAA is open to anyone who is interested in belonging. Gary and Lisa are excited to see the continued success of the OJAA and the opportunities that they and other OJAA members will have to reconnect with old friends and hopefully meet new ones in the process.

The OJAA will continue to reach out through articles, updates, events and social media. The OJAA is here to help you connect so please reach out to us by posting what you love or loved about Omaha or the Omaha Jewish community. You will continue to inspire our vision and purpose as we remember that it is STILL HOMAHA.
Creating a Legacy

These charitable planning tools can help you manage your philanthropy in a way that complements your overall tax planning, as you choose to make your contribution either during your lifetime or through your estate.

**Donor-Advised Fund**
Simply put, a Donor-Advised Fund is a personal charitable tool that helps you organize your charitable giving in one account. You establish a fund with the Foundation by completing a simple agreement and contributing a minimum of $2,500. You contribute cash or publicly traded securities to your fund at any time. You receive an income tax deduction in the year of the gift, though distributions from the fund need not occur in the same year. The Foundation invests your Donor-Advised Fund assets; income is reinvested and grows tax-free. You recommend distributions of a minimum of $100 from your Donor-Advised Fund to any IRS qualified 501(c)(3) charity, either Jewish or secular, and the Foundation takes care of the details.

**Supporting Foundation**
A Supporting Foundation is a separate legal entity (with a separate board) created by you and your family. This entity enters into a relationship with the Foundation whereby the Foundation manages and invests the funds, administers operations and makes disbursements as directed from time to time by the Supporting Foundation Board.

**Endowment Fund**
Establishing an Endowment Fund at the Foundation allows you to create a permanent legacy and support the causes within the Jewish community that mean the most to you. An Endowment Fund is created by contributing a minimum of $10,000. You complete a simple agreement, and then fund your endowment by contributing cash, appreciated securities, a life insurance policy with the Foundation as the beneficiary, by transferring assets from a qualified retirement plan naming the Foundation as a beneficiary or through other means. The Foundation invests your Endowment Fund assets; income is reinvested and grows tax-free. Endowment Funds may be unrestricted or restricted. The Endowment Fund will begin annually providing income for the Jewish purpose you select one year after the fund has been established and every year thereafter in perpetuity.

- **Unrestricted Endowment Fund**– Annual income is disbursed directly to the Federation for its unrestricted general use.
- **Restricted Endowment Fund** – Annual income is designated for the purpose you choose. It may support any agency or program on campus.

**PACE/LOJE Funds**
Perpetual Annual Campaign Endowment (PACE) and Lion of Judah Endowment (LOJE) Funds are separate endowments you create at the Foundation, the income from which will make an annual campaign gift in your name well after your lifetime. The funds are intended to provide a gift in your name to the Federation Annual Campaign in perpetuity. The endowment may be funded either during your lifetime or as part of your estate, with potential significant tax benefits in either case. PACE and LOJE are opportunities to make an impact on the Federation and our Jewish community for many years to come.

**Charitable Remainder Trust**
You create a separate trust which generally provides lifetime income to you and/or your spouse. A determined percentage of the funds contributed to the trust is tax deductible. A corporate trustee holds, invests and distributes the funds during your lifetime. After your passing, the remainder is distributed for the benefit of the Federation and/or its agencies according to your wishes. You determine the purpose.
