

Have you considered everything that Omaha's Jewish community does for us, our children, teenagers, and college students?

We are lucky to be amidst such a supportive, amazing, and loving community.

WITH GRATITUDE YOU CAN *Pay it Forward*

To help pay it back by paying it forward, the Jewish Federation of Omaha Foundation has launched the "Pay It Forward Endowment Fund", so today's Jewish kids and tomorrow's Jewish kids will have the same great opportunities and experiences other kids have enjoyed. **YOU CAN HELP!**

During the youth, teen and college years, Omaha Jewish kids' opportunities have included:

- Federation sponsored teen trips to Israel
- Preschool at the JCC Pennie Z. Davis Early Learning Center (ELC)
- Federation youth group experience grants and Israel experience grants
- Friedel Jewish Academy support
- Jewish summer camp support
- College scholarships and grants

Our collective contributions will go into a permanent endowment fund, the Pay It Forward Endowment Fund, which will provide:

- Scholarships, grants and stipends for Jewish youth from Metropolitan Omaha to experience all Jewish Omaha has to offer, from the ELC through college.

HOW CAN I PARTICIPATE?

- Create monthly credit card or debit card payments. \$10, \$18 or \$36 per month will be welcome.
- Make a one-time gift now.
- Pledge a gift to be paid partially now and partially in the future.
- Designate the Pay It Forward Endowment Fund at the Jewish Federation of Omaha Foundation for an after-lifetime gift through your retirement plan, life insurance, will or trust.
