A MESSAGE FROM THE BOARD PRESIDENT & EXECUTIVE DIRECTOR

Dear Friends,

As we reflect on this past year, I am thrilled to share the ways in which we have worked to enhance our service to you—our community. A key focus for us has been user-friendliness, and we are committed to making your every interaction with us as smooth, welcoming, and efficient as possible.

To that end, we are proud to have launched a new website, designed with ease of use in mind. This new platform streamlines access to resources, simplifies donation options, and provides up-to-date information about our programs and events. We have made it easier than ever for you to be inspired, celebrate your impact and connect to our mission.

Beyond technology, our dedicated team is always ready to help, whether you're looking to establish an endowment, explore charitable giving options, create a family foundation, sign-up for Life & Legacy or connect with a local Jewish organization in need. We believe that engaging with us should be straightforward and inviting, and our team is here to make that happen.

Our services continue to grow, tailored to meet the needs of this vibrant community. From legacy planning and donor-advised funds to a young professional fund, educational resources and community grants, we aim to provide meaningful and impactful opportunities for all. Each initiative is guided by our commitment to visibility, transparency, accessibility, and building connections across generations.

Be sure to spend a few minutes on our Discover spread (pages 4-5) highlighting an array of the new products, videos and features at The Foundation. Plus, on the adjoining page, is our updated mission statement which was developed during our strategic plan.

Thank you for being part of our journey. Together, we're creating a stronger, more connected community for today and tomorrow.

Warm regards,

Bob Belgrade

NEW THINGS TO DISCOVER AT THE FOUNDATION

From innovative giving programs to new approaches in maximizing the impact of our endowment funds, we're continually exploring new ways to empower our community. Whether you're a longtime donor or just beginning your philanthropic journey, there's always something exciting to explore.

1

Young Professional Tzedek Program (YPTP)

Empowers young adults to make a lasting impact through charitable giving. YPTP serves as a bridge program for young adults who previously held a teen charitable fund account, currently maintain one, or are interested in opening an account and are between the ages of 18 and 35. YPTP fund holders will have the opportunity to donate to a non-profit organization that holds personal significance.

2

3-Year Strategic Planning and Organizational Development

To ensure the long-term success and sustainability of our organization, we completed a 3-year strategic plan. This process involved engaging with stakeholders, assessing our strengths and weaknesses, creating a team charter and developing a strategic plan and implementation roadmap to guide our future growth and development.

Key 3-Year Strategic Directions:

1. Evolving Our Day-to-Day
2. Advancing Our Engagement
3. Nurturing Our Connections

3

The Foundation's Website – Your Path to Charitable Giving

We are thrilled to announce the launch of our reimagined website! Please visit jfofoundation.org and discover how to open a fund, be inspired by legacies created for our community, learn what The Foundation does and how we can partner! **The QR code takes you to our media page that includes our latest endowment video!**

4

Donor Impact Report

Showcases the incredible impact of your generous contributions alongside stories of philanthropy and updates.

Feedback on the new report:

"Kudos, your newly improved, very lovely and easy to read financial report is just FAB..."

"I just received my donor impact report in the mail. Very well done! It's easy to read and filled with great information."

"The new report looks great, thank you!"

A NEW APPROACH FOR ENDOWMENT DONORS

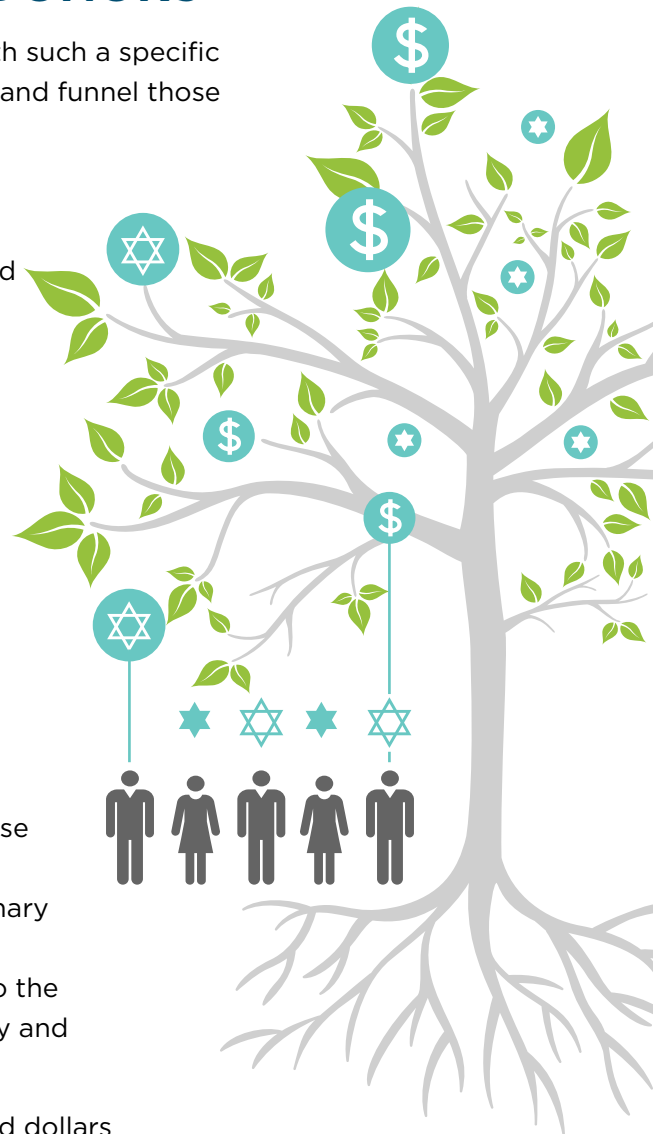

Restricted dollars can result in underutilized endowment funds, funds with such a specific purpose they rarely got used. How can we free up these restricted funds and funnel those dollars back into the community?

The Foundation staff embarked on a five-month deep dive to address underutilized funds across The Foundation's portfolio. We sorted all the funds by agency and by program to identify those that had not been used in over three years. And yes, there were funds that were getting dusty, waiting for someone to discover and access them.

Here is an overview of the Endowment Audit:

1. **Context on Restricted Funds:** Many endowment funds were too specific, leading to underutilization.
2. **Collaborative Solutions:** Conversations with donor families and partner organizations aimed at removing or adjusting restrictions to ensure funds can benefit the community more broadly.
3. **PRIORITY B Initiative:**
 - **Objective:** Encourage donors to specify multiple alternative uses for their funds.
 - **Primary and Alternatives:** Every fund will retain its primary purpose (PRIORITY A), but will now also include secondary alternatives (PRIORITY B) to ensure the funds can still be impactful if the primary need diminishes.
 - **Hakarat HaTov - Recognizing the Good:** The initiative ties back to the Jewish value of gratitude, highlighting the community's generosity and the desire to maximize the impact of contributions.

By implementing the underutilized fund audit, we successfully repurposed dollars that were no longer needed for their original Priority A purposes. These funds are now supporting vital community needs, such as covering funeral expenses, helping Israeli families settle in Omaha, and aiding JCC campers with special needs. This initiative ensures that every dollar continues to work harder for the betterment of our community.

FOR LOVE OF SANDRA

SANDRA L. FELDMAN MEMORIAL FUND

In 1982, the family of Sandra Feldman (of blessed memory) – her mother Elaine, father Maurice (of blessed memory), brother Nathan, and his wife Marsha – created a memorial to honor Sandra’s commitment to learning. The Sandra L. Feldman Memorial Fund was established with \$10,000 “to benefit Jewish residents of Omaha wishing to attend graduate school.” Over the years, donations continued, and today, nearly \$85,000 has been awarded to 65 graduate students. The current fund balance is \$90,700.

CHARITABLE GIVING BEGINS WITH THE HEART.

- **What do you care about?** Supporting the Jewish community, honoring a loved one, upholding Jewish values?
- **Who would you like to help?** Children, teens, seniors, or families in need?

These are the questions that shape philanthropy.

When you decide what’s important to you, The Foundation can help make it last forever. We can start by looking back at family traditions, assessing today’s needs in the community, and looking forward to new opportunities to do good.

Your endowment can be created through donations of stock, cash, an IRA, a bequest, life insurance, or other assets. Once funded, The Foundation will invest it, ensuring your gift grows and supports the community for years to come.

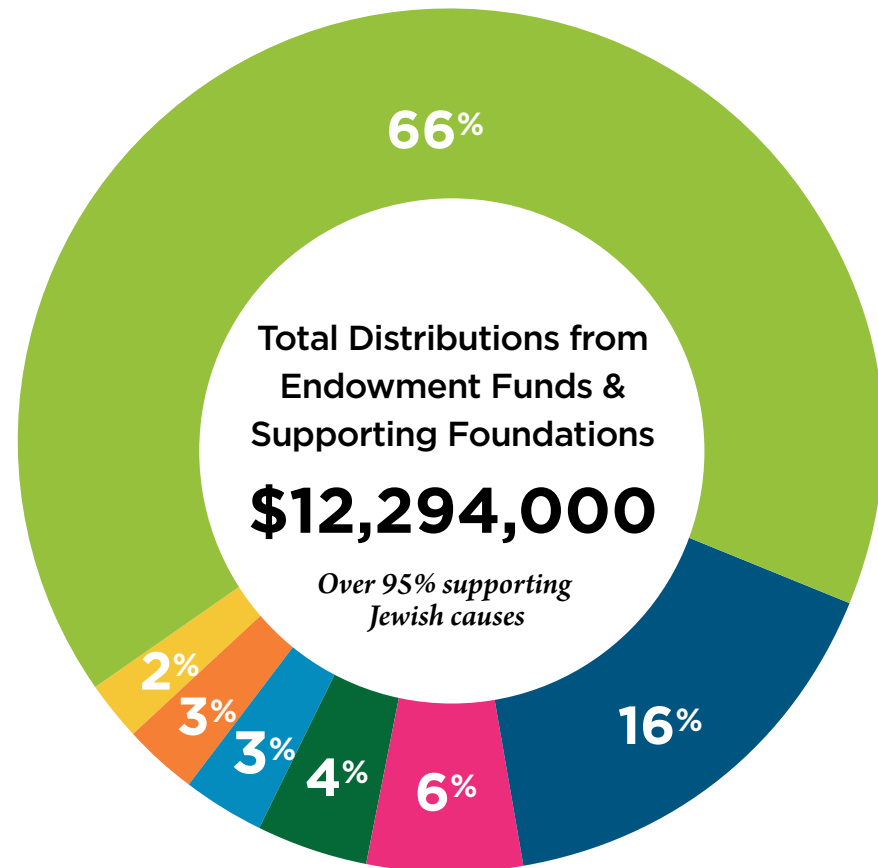

Sandra’s story is just one of many where charitable giving begins with the ♥!

ENDOWMENT FUNDS

2023-2024 FISCAL YEAR

An Endowment Fund or a Supporting Foundation established with the Jewish Federation of Omaha Foundation allows you to create a permanent legacy and support the causes within the Jewish community that mean the most to you.

Disbursements from these funds support the Jewish Federation and its agencies, Omaha area synagogues and other local Jewish organizations, such as Friedel Jewish Academy and the Nebraska Jewish Historical Society.

66%	Rose Blumkin Jewish Home	\$8,121,000
16%	Alan J. Levine Athletic Facility	2,000,000

WHY A DONOR-ADVISED FUND?

“I’ve enjoyed my donor-advised fund and wish we had opened it many years earlier. The structure allows for more thoughtful philanthropy, and donating throughout the year rather than at the year’s end. I appreciate the central recordkeeping and ease in sending donations. I can do year-end tax planning and schedule fund contributions separate from charitable giving. A simple email to one of the fund administrators at The Foundation gets the ball rolling and the donation is sent. Very easy and efficient.”

Dr. Eric Phillips

“For as little as \$2,500, you can open a DAF. It’s an efficient and time-saving way to make campaign gifts and donations in the Jewish or general community.”

Jeff Kirshenbaum

“During my teenage years, I established a Tzedek Teen Account at The Foundation. Recently, I transferred the balance to set up a Donor-Advised Fund there. Now that I’m employed, I can contribute to replenish the fund and recommend grants to various Jewish and secular non-profits across the U.S. The online portal makes it easy to support organizations and causes I believe in. Additionally, I’ve arranged for an automated monthly donation to support Pay It Forward, a fund created by The Foundation to help Jewish youth participate in programming, education, and camp. It’s incredibly rewarding, and even a small amount, starting from \$10, can make a significant difference.”

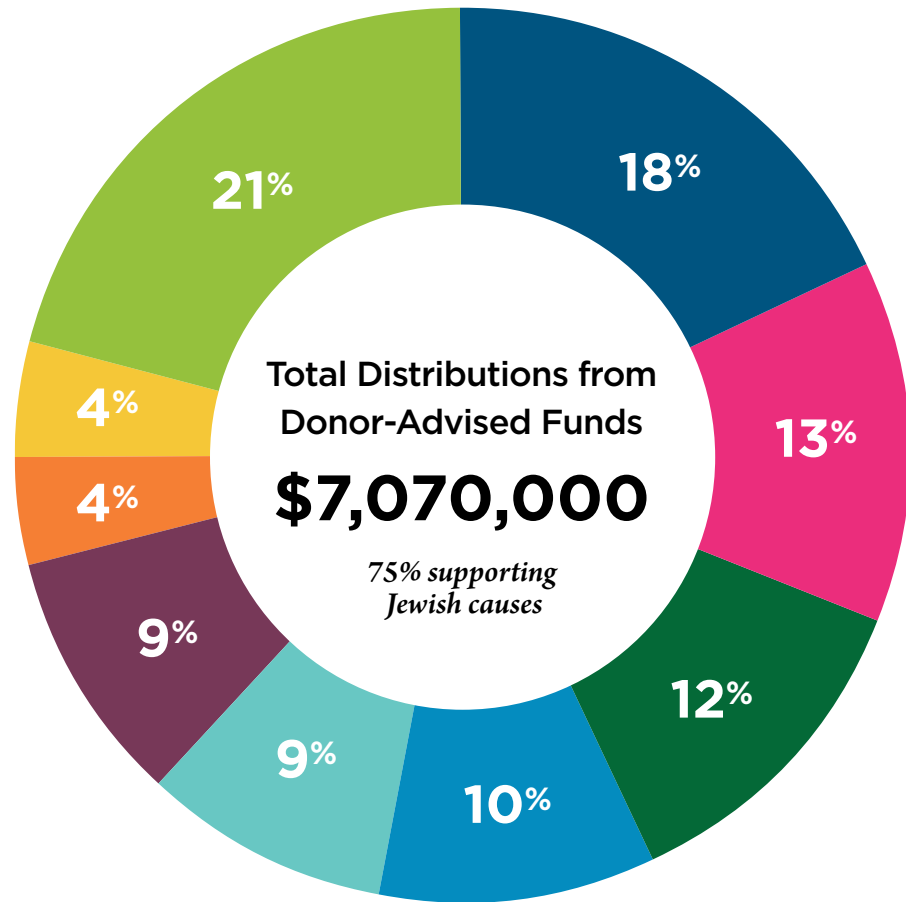

Benjamin Brodkey

IN MEMORY OF SALLY CLAYMAN

Sally Clayman, a proud lifelong resident of Omaha, passed away in February 2024.

Sally grew up in the Benson area, graduated from Benson High, and later earned a BA in English from UNO. She had two children: Cindy Clayman-Morris, of blessed memory, and Jeff Clayman, who lives in Denver. She was also the beloved grandmother of six and great-grandmother of two.

Sally created three charitable funds through the Jewish Federation of Omaha Foundation in honor of her aunt and uncle, Lillian Keiser Stoms and David Keiser. The **Lillian Keiser Stoms Educational Fund** provides scholarships for single Jewish custodial parents. The **David Keiser & Lillian Keiser Stoms Foundation Education Fund** supports university scholarships for Jewish young adults. Finally, the **David Keiser & Lillian Keiser Stoms Endowment for Academic Excellence** grants college scholarships to Jewish youth based on scholastic achievement and dedication to the Jewish community.

Sally began her career as an advertising copywriter at Bozell & Jacobs, where she launched memorable campaigns, including one for “Storzette,” an 8-ounce beer marketed to women. She often recalled meeting Elvis Presley and Johnny Carson during

her early years in Omaha. Despite opportunities to work in broadcast television in New York, Sally chose to stay in Omaha, where she met her husband Albert, married, and started a family.

After their children were born, Sally dedicated herself to their upbringing and later earned an MS in Speech Pathology from UNO. For years, she served as a speech therapist for Education Service Unit #3, supporting children in rural Nebraska with vital speech and hearing services. Her work profoundly impacted her young clients, many of whom would have faced substantial social and educational challenges without her assistance. Later, Sally worked in genetic research coordination at Boys Town, driven by a keen interest in genetics and genetic diseases.

Sally was married to Albert Clayman for 25 years, until his untimely death on their 25th wedding anniversary in May 1983. After Albert’s passing, Sally transitioned to a career in property insurance administration until her retirement.

Throughout her life, Sally loved to walk, play tennis, and participate in bridge games with close friends Maxine Simons, Mona Crandell, and Blanche Wise. In her retirement, she devoted extraordinary care to her daughter Cindy, who lived with chronic illness throughout her adult life. Though Sally didn’t actively volunteer, she supported numerous community organizations, including Beth El, Beth Israel, the Jewish Federation, and the University of Nebraska Medical Center. Her philanthropic spirit and values were inspired by David Keiser and Lillian Keiser Stoms and became a cornerstone of her life’s legacy.

IN MEMORY OF BETSY DAVIDSON

Betsy Davidson passed away on April 19, 2024. She was preceded in death by her husband of 69 years, Arthur who passed away in August 2019.

Betsy grew up in Minnesota and attended the University of Minnesota, where she met Arthur. They moved to Omaha in 1958 and ran the Omaha branch of Davidson's Furniture. Betsy and Arthur had two children, Mary-Beth and Doug, both of whom reside in Omaha.

Betsy and Arthur loved to travel, play doubles tennis and spend time with family and friends. They traveled to China, Afghanistan, Alaska and Israel and hosted students from various countries.

Betsy was deeply involved in volunteer activities throughout greater Omaha and the Jewish community. Some of her activities included the League of Women Voters, Great Books, Tuesday Musical, the Sisterhood, Temple Israel and NCJW.

The Davidsons established the **Arthur L. and Betsy Davidson Emergency Assistance Endowment Fund** at the Jewish Federation of Omaha Foundation. This fund provides one-time emergency financial assistance to people who work for the Jewish Federation of Omaha, its affiliates, agencies, synagogues, and other Jewish institutions in the Omaha area. Funds can be used to cover immediate living expenses and basic necessities. Betsy and Arthur also established the **Arthur L. and Betsy Davidson Life & Legacy Endowment Fund**.

The Davidsons' generosity and endowments will continue helping those in the Jewish community, Jewish and non-Jewish, for years to come.

HONORING IRVING B. AND GERI EPSTEIN: A LEGACY OF SERVICE, FAMILY, AND COMMUNITY

Irving B. Epstein of Omaha passed away on December 25, 2022. He was preceded in death by his beloved wife of 66 years, Geri, and his son, Dr. Barry E. Epstein, for whom Irv and Geri established the **Barry E. Epstein Memorial Healthcare Fund**, a Scholarship Fund for medical students with the Jewish Federation of Omaha Foundation. Irv is survived by his daughters, Leslie Epstein and Cynthia Epstein; his son-in-law, David Wiesman; and his cherished grandsons, Harison and Mathew.

A Fellow of the Nebraska Bar Association, Irv had a remarkable legal career spanning over 75 years. He graduated early from Creighton University Law School at the age of 21 and served with distinction in the JAG Corps during the Korean War. Irv began his legal career as an Omaha City Attorney and served on the Omaha Airport Authority, negotiating air space and slips for airlines at Eppley airfield, before transitioning to private practice, where he made significant contributions to the legal community.

In 1994, Irv and his daughter, Cynthia Epstein, founded Epstein and Epstein Attorneys at Law. The firm specializes in corporate, real estate, and estate planning services. They had a combined experience of over 50 years, offering tailored legal solutions to meet their clients' needs.

Geri was an artist. After teaching art for a number of years, Geri opened and ran Geri's Art & Sculpture, a well-known art gallery in Omaha, for over 20 years. She also provided charitable work with Beth Israel Synagogue, Chabad Lubavitch of Nebraska, Inc., and she served as Girl Scout and Cub Scout leaders, as well as, serving as the President of Central High School PTA in the 1970's.

To honor Irv's legacy, Cynthia established and contributed to two endowments, the **Irving and Geri Epstein Chabad Life & Legacy Endowment** and the **Irving and Geri Epstein Beth Israel Endowment**. These endowments fulfill Irv and Geri's Life & Legacy commitment, providing annual income to Chabad and Beth Israel Synagogue. Cynthia and Leslie have ensured that their parents' vision and commitment were carried out through their estate plan.

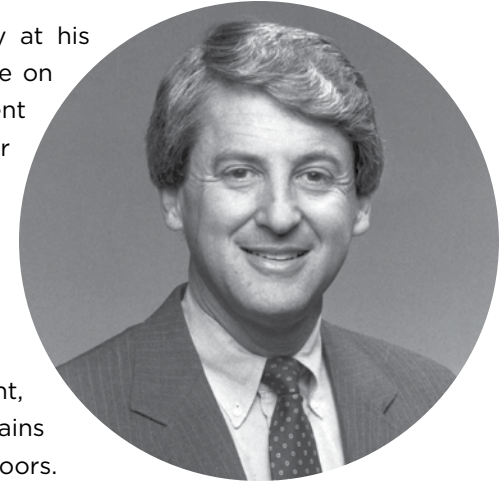

Cynthia reflects on her father's legacy with these words: ***"My father dedicated his life to serving others through his legal work and community involvement. His commitment to family, justice, and faith was unwavering, and these endowments will ensure that his values continue to benefit the community he loved."***

We extend our heartfelt gratitude to Leslie and Cynthia Epstein and family for establishing the Irving B. and Geri Epstein Life & Legacy Endowment Funds. These funds celebrate the lives and love that Irv and Geri shared with our community, ensuring their legacy continues to inspire and support future generations.

IN MEMORY OF GARY GOLDSTEIN

Gary Goldstein was born in Omaha and died peacefully at his home in Basalt, Colorado with his wife Barbara at his side on April 11, 2024. Gary attended Central High School and went on to graduate from the University of Oklahoma. After graduation, Gary returned to Omaha starting his career as an architect with Leo A. Daly. After a few years he left and worked at other architecture firms before starting his own firm in the 1970s. His firm later merged with Bahr, Vermeer, and Haecker, where he worked until his retirement in 1998.

Gary and Barbara moved to Colorado after his retirement, living in Basalt and Aspen. Gary loved the Rocky Mountains and enjoyed hiking, biking, skiing, camping and being outdoors.

Gary and Barbara established the **Gary and Barbara Goldstein Jewish Youth Camp Fund** to enable Jewish youth under 18 years old to attend summer residential camps, day camps sponsored by the Jewish Community Center of Omaha, Omaha-area synagogues or other summer camping programs sponsored by Jewish organizations. The Goldsteins also established the **Gary and Barbara Goldstein Endowment for the Jewish Federation of Omaha**, and the **Gary and Barbara Goldstein Life & Legacy Endowment Fund**. Both funds provide support to the Nebraska Jewish Historical Society, Jewish Family Service, the Jewish Federation of Omaha, and Temple Israel. And most recently, Barbara established the **Gary L. Goldstein Memorial Perpetual Annual Campaign Endowment Fund** to continue Gary's long-standing commitment to our Annual Campaign in perpetuity.

Gary is survived by his wife Barbara, his son Michael (Dacia) Goldstein, and daughter Beth (Danny) Bernstein. The Jewish Federation of Omaha Foundation is extremely thankful for the generosity of Gary and Barbara Goldstein.

STEVEN BLOCH

THE FOUNDATION'S VOLUNTEER OF THE YEAR

Steve began serving on The Foundation board in the 1996-1997 fiscal year – that's 28 years of service and counting! Steve served as President of The Foundation from 2003 to 2009, overseeing the distribution of over \$36 million, primarily within the Omaha Jewish community. Despite a significant market downturn, measurable increases in investment assets were achieved during his tenure. Marty Ricks, Foundation Executive Director during Steve's term, praised him for his dedication and meaningful seven years as president. According to Marty, "Steve ran highly efficient, effective, and informative board meetings and actively contributed to the design and closing of major gifts."

During his first two years as board President, Steve was instrumental in establishing The Foundation as a separate supporting foundation entity benefitting the Jewish Federation of Omaha, where formally it had been merely a committee of the Federation. This was a prudent change which separated the investment assets of The Foundation from its operating assets, necessary by the realities of our litigious times.

Fortunately, Steve continues to serve on The Foundation board, sharing his vast knowledge and experience. In a tribute from the May 2009 *Jewish Press*, his presidency was described as marking "The end of an era," highlighting his efforts to secure financial resources for the growth of Omaha's Jewish community. Recognized by many in the community, Steve's commitment to The Foundation's growth and asset security was commended by leaders such as Bob Lepp and Murray Newman.

At the conclusion of Steve's presidency, the board established the Steven Bloch President's Fund as an expression of appreciation for his service and a testament to the crucial role he played providing valuable legal counsel and contributing to major gifts. Steve continues to serve on the board, is a member of the Investment Committee and is involved in finalizing the Alan J. Levine estate gift, one of the largest single gifts to The Foundation. His vision, service, participation, and ongoing support are deeply appreciated.

We extend our gratitude to Steve for his continued dedication to The Foundation's mission.

A **Forever Annual Campaign Endowment** ensures that your annual gift continues to meet the needs of the Jewish community in perpetuity. This opportunity is not only strategic for our future well-being but also critical. In 1990, the Federation raised \$2.25 million, while last year we raised \$3.2 million. However, to match that past fundraising power adjusted for inflation, we would need to raise **\$5.5 million** today. Now is the time for us to come together and seize this important opportunity to endow your Annual Campaign gift. Your generous support of the Federation Annual Campaign in past years demonstrates how deeply you care, and it entrusts leadership to allocate funds where they are needed most.

**Of blessed memory*

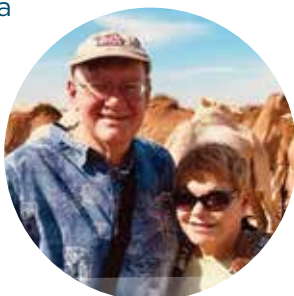

“Our Jewish community is very important to us, and we are grateful to be able to establish an endowment at The Foundation to ensure our Annual Campaign gift continues to support the agencies, programs, and individuals who need it most, after our lifetime.”

Tina and Joe Meyers

“We gifted life insurance policies to The Foundation to fund our after-lifetime Annual Campaign gift to the Federation. By transferring ownership of these policies, we received a nice tax deduction and have the comfort of knowing that a gift in our name will continue to enrich the Jewish community through the Annual Campaign.”

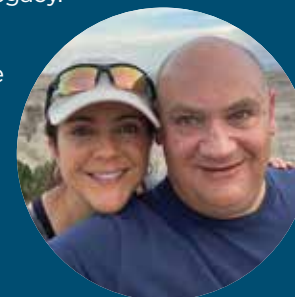

Fran and Rich Juro

THE NEXT GENERATION STEPS UP

The mission of The Foundation is to gather, preserve and increase philanthropic giving to ensure the continuity and enhancement of Jewish life in Omaha. Charitable giving begins with the heart, and anyone, regardless of wealth, can leave a legacy. Every dollar counts for the Jewish causes you care about, and together we can make what's important to you last forever.

While younger Jewish philanthropists may have different priorities than their parents, modeling tzedakah is crucial for passing down these values. **Trenton Magid grew up in the Omaha Jewish community and became deeply involved after missions to Israel. He established an endowment fund and contributes to the Jewish campus, saying, “The Foundation makes me proud to be part of the Omaha Jewish community.”**

Ammy Polanco &
Trenton Magid

Similarly, Jenny and Scott Meyerson embody l'dor v'dor (from generation to generation). Raised in Omaha's Jewish community, they opened a donor-advised fund to support Jewish and secular causes. They also set up a Teen Tzedek account for their sons, teaching them to give back after their Bar Mitzvahs.

The Foundation helps ensure Jewish tomorrows by aligning with your priorities and making giving easy. You decide what matters, and we make it last.

OMAHA JEWISH ALUMNI ASSOCIATION ANNUAL REPORT 2024

This year, the Omaha Jewish Alumni Association (OJAA) hosted our fourth reunion, following successful gatherings in Scottsdale, Dallas, and Kansas City. We were thrilled to host the Minneapolis Reunion Brunch.

OJAA's mission is to connect Omaha's current Jewish residents with those who have moved away, ensuring the future of Omaha's Jewish community. The vision for OJAA has been inspired by our generous donors, Lisa and Gary Epstein.

On Sunday, July 28, OJAA and the Jewish Federation of Omaha Foundation hosted a brunch in Minnetonka at Jenny Javitch and Alon Ventura's home. It was wonderful to bring together Omahans past and present to reconnect.

Our brunch hosts included Jenny and Jon Benowitz, Rachel and Dan Canfield, Shelby and Ben Epstein, Lisa and Gary Epstein, Sharon and Howard Epstein, Debbie Glotter, Kay Goldstein, Karen Sokolof Javitch and Gary Javitch, and Gail and Steve Machov.

Howard Epstein remarked, "It was good to see so many former Omahans of all ages at the Minneapolis OJAA reunion along with some of their family members who came from Omaha, Dallas, Phoenix and elsewhere. Not only did we meet some people for the first time, but we all had a chance to catch up and revitalize friendships with people we had not seen in many years."

We also launched our new "Where Are They Now?" series, a monthly newsletter and Facebook feature highlighting alumni. OJAA continues to thrive, providing more opportunities for alumni to reconnect.

CELEBRATING A DECADE OF LIFE & LEGACY: A TESTAMENT TO THE FUTURE OF OUR JEWISH COMMUNITY

Life & Legacy is a powerful way to express your passion, purpose, and commitment to the future of our Jewish community and the organizations you hold dear. Now in its 10th year, the program has received 685 commitments with an estimated value of \$25,666,442. This remarkable milestone demonstrates the dedication of our community to ensuring that Jewish life in Omaha thrives for generations to come.

Our community counts on the participation of each of us to sign a letter of intent and make a promise to give—whether through a cash gift, a percentage of your IRA or estate, a bequest in your will, or a stock donation. All forms of gifts are welcomed, and it's important to remember that a pledged gift today does not impact your current lifestyle; this is a legacy gift, to be fulfilled after your lifetime.

Supporting Our Community's Future

The substantial gifts received through Life & Legacy benefit a wide range of organizations, including the Jewish Federation of Omaha and its agencies (Institute for Holocaust Education, JCC, JCRC, Jewish Press, JFS/JSO, RBJH, and the NJHS), as well as Beth El, B'nai Israel Living History Museum, Beth Israel, Chabad, Friedel Jewish Academy, Temple Israel and South Street Temple of Lincoln.

By leaving a legacy today, you ensure that the traditions, institutions and values that enrich our lives today will be here for future generations. To learn more about how easy it is to participate, or to join the more than 300 donors who have already pledged their support, please reach out to: **Brad Abramson, Development Manager, at 402-334-6485, or email, babramson@jewishomaha.org**

Every gift matters, including yours. Together, we can ensure that Omaha's Jewish community continues to thrive for years to come.

To celebrate our 10th Anniversary, the Jewish Community Center came alive with an inspiring evening of music, storytelling, and Jewish culture. Internationally acclaimed performer Ari Axelrod captivated the audience with his show, *A Place For Us: A Celebration of Jewish Broadway*. The event was a heartfelt tribute to our community's shared heritage, highlighting the impact of after-lifetime giving.

Ari Axelrod &
Amy Bernstein Shivers

Reflections from the Evening:

"Fantastic, unbelievable, magnificent evening!" exclaimed Susie Silverman. "As we celebrate this milestone, we are reminded that by investing in Life & Legacy, we ensure that the organizations and values we cherish will continue to flourish."

"Ari's performance and the evening were one of my favorites!" shared Margo Riekes, capturing the sentiment of many attendees.

Jan Goldstein expressed her gratitude, saying, "Kol HaKavod for last night's event! It was so wonderful. And Life & Legacy—what a success for our community!"

THANK YOU TO THE MEMBERS OF OMAHA'S JEWISH COMMUNITY WHO HAVE MADE A LIFE & LEGACY™ COMMITMENT.

FUNDING OPPORTUNITIES

TZEDEK TEEN FUND

Establish a Tzedek Teen Fund with a one-time contribution of \$125 and The Foundation will add another \$375. Once a year, the teen may donate 10% of his or her fund (\$50) to a Jewish non-profit organization. This fund empowers Jewish teens in 6th-12th grade to make an impact on our community by giving tzedakah and supporting causes important to them. Family and friends can donate to the fund at any time and in any amount. Currently, The Foundation manages 100+ teen funds.

YOUNG PROFESSIONAL TZEDEK PROGRAM

Empowers young adults to make a lasting impact through charitable giving. YPTP serves as a bridge program for young adults who previously held a teen charitable fund account, currently maintain one, or are interested in opening an account and are between the ages of 18 and 35. YPTP fund holders will have the opportunity to donate to a non-profit organization that holds personal significance.

DONOR-ADVISED FUND

These are simple, tax-smart investment opportunities for charitable giving while your money grows tax-free. You can contribute cash, securities or other appreciated assets; you may be eligible for a current year deduction and become more strategic about your giving decisions. You recommend distributions during your lifetime and can leave the remainder to your children, grandchildren or The Foundation as part of your legacy. The Foundation manages over 150 DAFs.

LIFE & LEGACY PROGRAM

In partnership with Harold Grinspoon Foundation and The Foundation, these funds promote after lifetime giving to benefit the Omaha Jewish community and its partner organizations. You select one or more organizations to support and sign a letter of intent with no minimum gift required. Currently, The Foundation administers 685 Life & Legacy commitments.

PAY IT FORWARD COMMUNITY FUND

This fund is for everyone who would like to show gratitude for the quality of Jewish life we all enjoy. Make a monthly credit or debit card payment starting with a minimum gift of \$18, or make a one-time gift in any amount or pledge an after-lifetime gift. Pay It Forward funds are dedicated to benefiting Omaha Jewish youth

FOREVER ANNUAL CAMPAIGN GIFT

These are permanent funds established during or after your lifetime and dedicated to endowing your Jewish Federation of Omaha Annual Campaign gift in perpetuity. There are two kinds of Forever Annual Campaign Gifts: The PACE (Perpetual Annual Campaign Endowment) and LOJE (Lion of Judah Endowment). The required amount for both endowments is 25x the amount you intend to give every year, after lifetime. The Foundation invests the funds and the income grows tax-free. Currently, The Foundation manages 40 of these endowments and has 35 signed agreements to be funded in the future.

**We hope you enjoy the 2024 Annual Report
of the Jewish Federation of Omaha Foundation.**

CHARITABLE GIFT ANNUITY

Through a charitable gift annuity, you can make a gift to the charity of your choice, and receive guaranteed income for yourself and/or a beneficiary of your choice, for life. Annuities can be funded with cash, stock, and mutual funds, as well as non-cash assets like real estate or closely held stock. The payments are fixed for the term of the contract. This is new funding opportunity at The Foundation.

ENDOWMENT FUND

These allow you to give a gift of cash or appreciated assets to establish an endowment at The Foundation, usually in the name of the donor, the donor's family or in memory of a loved one. You can open an endowment fund with a minimum gift of \$10,000. The principal is held in perpetuity while the earnings from the invested assets are distributed per the donor's specifications. You may designate the Federation, a favorite Omaha-area Jewish nonprofit or program to receive annual distributions. Currently, The Foundation manages 400+ endowments.

SUPPORTING FOUNDATION

These are separate legal entities with a separate board created by you and your family. A Supporting Foundation partners with The Foundation to invest the funds, manage the operations and make disbursements as directed by the Supporting Board. Currently, The Foundation manages five Supporting Foundations.
